**Re: *In re: High-Tech Employee Antitrust Litigation,*
Master Dkt. No. 11-cv-2509 (N.D. Cal.)**

Dear Mr. Purcell:

I write on behalf of Plaintiffs in the above-captioned matter in response to Lucasfilm Ltd.'s ("Lucasfilm") production of data, at the following bates ranges:

LUCAS00015738-LUCAS00015745;
LUCAS00014721-LUCAS00014792; and
LUCAS00014793-LUCAS00014858.

First, please let us know by tomorrow, May 8, 2012, whether Lucasfilm has finished producing data responsive to Plaintiffs' requests, and if not, by what date Lucasfilm's data production will be complete. Please note that Exhibit 1 to this letter lists categories of data that have not been produced, that were included in Plaintiffs' requests for production, and that Plaintiffs need for purposes of class certification analysis. Of particular note is that Lucasfilm has not produced employee-level data for 2001 to 2005, which was requested by Plaintiffs and which Lucasfilm agreed to produce. Given the fast-approaching class certification deadlines, it is imperative that Lucasfilm produce all relevant data immediately.

Second, Exhibit 1 contains a list of questions concerning Lucasfilm's data. Given the nature and scope of Plaintiffs' questions, Plaintiffs believe that the most productive way to address these questions would be through a teleconference involving Plaintiffs' counsel, a staff member of Plaintiffs' consulting expert, and a representative of Lucasfilm who is knowledgeable

about the data produced by Lucasfilm. Please propose a time during this week when Lucasfilm will make available a person knowledgeable about the data produced in this litigation for such a teleconference.

Thank you, and please feel free to contact me with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Daniel J. Walker". The signature is fluid and cursive, with the first name "Daniel" being more prominent and the last name "Walker" following in a similar style.
